## Student Athlete Contract

As a student athlete member of the Greater St. Albert Sports Academy I am fully aware of my responsibilities and understand that I will be held accountable for my actions.

I understand the eligibility requirements are:

1. I must have a passion, desire and true love for my game.
2. I will work to my academic potential.
3. I will be disciplined, dedicated and committed to improving.
4. I will be able to work independently.
5. I will abide by the Alberta Education Code of Conduct.

As an academy member I am a role model and will act in accordance with the expectations set forth by the academy. I will put forth a focused determined effort on a daily basis so the academy can help me to be a better athlete, a better student and a better person. I also understand that **I am evaluated through the academy student review in December and June. Failure to meet academy expectations will result in a recommendation to find other programming.**
