Jersey and Bag Policies:

Jersey:

It is expected that all academy athletes wear the jersey they are given to train in. This helps us to look sharp and teach responsibility. In any month if an athlete forgets his/her jersey they will be issued a warning and parents will be notified via email. If an athlete forgets his/her jersey a second time in the same month the athlete will sit out of that session. If jerseys are lost please notify the academy coordinator as soon as possible.

Bag Policy:

Academy equipment bags are to be used at all times. The only exceptions are for goalies that cannot handle carrying their bag and need a wheel bag or for team bags that are the same style as the academy bags. Athletes are also expected to mark their bags with a nametag and group number.
