Name:

Sports Academy Student Review

For: Academy Students and Parents

Done by: Academy staff in conjunction with classroom teachers and administration

Rational: The rationale behind the sports academy student review is to provide academy students and parents with a clear idea of how the students are doing when it comes to meeting the eligibility requirements for the academy. It also provides a recommendation about continuing or looking for other programming based on students being able to meet eligibility requirements. While parents are always informed in regards to major incidents this will give parents an idea of how their son or daughter makes out on a daily basis as well as provide a clear picture of strength areas and areas that need improvement.
